

TruExpression delivers big on value without sacrificing quality or lifelike esthetics.

Dentsply Sirona introduces its newest denture tooth offering, TruExpression multi cross-linked denture teeth. With the TruExpression denture tooth line, Dentsply Sirona has simplified the number of choices to enable laboratories to carry a more efficient inventory and still cover the most popular moulds and shades prescribed.

- High wear-resistance multi cross-linked material
- 26 upper and 15 lower anterior moulds
- 24 upper and lower posterior moulds
- 16 A-D and 2 bleach shades
- 10-Year warranty*
- 100% inspection
- Made in the USA
